2. FOUR STAGES

There are four natural stages of a coaching business. You need to know the one you are in and what it requires you to do in order to evolve and create consistent success.

4. A MESSAGE THAT MATTERS

Your message connects you with your ideal clients in a compelling and powerful way. Letting them know who you are, what you can do for them and why you care.

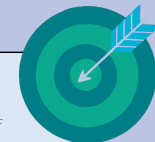

6. ENGAGE IN THE MARKETPLACE

Marketing is easy once you use the channels that are just right for you and the stage of your business. Choosing the right channels makes wise use of your time, money and energy.

5. MARKETING MINDSET

Your marketing mindset arises from your core values and guides your marketing and sales activities. With this mindset, you harness a powerful force for success.

3. A RESONATE NICHE

Your niche clearly defines a group of people who want to work with you because you speak specifically to their problems, needs and desires. This is a keystone element as you evolve through all the stages of your coaching business.

9. KEEP YOUR BUSINESS ALIVE

Your wellbeing is at the heart of a successful business! Keep your business alive by managing your saboteurs, fears and limiting beliefs. Take the time to assess what is working for you and what needs to go, so that you keep evolving your business with passion.

SUCCESS 10 MILES

10. GOOD HABITS & A WORKING PLAN

Integration and Action are the magic words for this one. It's essential to continually cultivate the habits that integrate your linear tasks and strategies, your personal, professional and spiritual growth, and the spaciousness you need in your life. When you put these together you will continually evolve from an inspiring plan!
